

Equipment Waiver

The Ontario Varsity Football League and its member teams strive to provide the safest playing environment possible.

This letter confirms that _____ and/or guardian (where applicable) that any equipment worn or used which is not provided by an Ontario Varsity League Team will be properly maintained and used as per the manufacturers specifications and that the league and its member teams are not liable for the misuse or failure of the added equipment. (example of but not all inclusive of added equipment is neck rolls, shoulder pads, helmets, visors and arm pads.)

Helmet visors shall be clear in colour and have an accepted safety rating (CSA). Tinted visors are only allowed when the member club receives written permission from a physician stating the foresaid player requires tinting for medical reasons. Mirrored visors are disallowed.

It is the responsibility of the player to ensure the equipment used meets requirements of the Ontario Varsity Football League and the Canadian Amateur Rule Book. Should the player have any questions concerning his equipment he can ask his coach or team governor for further clarification.
